

# Monty hat activity sheet

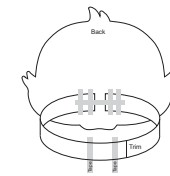

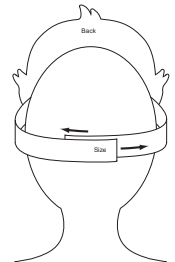

## How to make a Monty duck hat

- 1 Photocopy this sheet onto thin card as many times as necessary (it is worth printing some spares).
- 2 Get the children to colour in Monty's face (remember to put their name on the back).
- 3 Cut along the dotted line to cut out Monty's face.
- 4 Cut headband 1 and 2 off the bottom of this sheet and attach to the back of Monty's face as below.

- 5 Size onto child's head and mark.

- 6 Trim the excess headband and tape into position.
